

## Create Space

Creative writing, Poetry and Spoken word

Join the Southbank Centre and The Well Centre on a creative journey of self-expression, leading to a public showcase of your work at our Poetry International festival in July 2026.

### About this programme

Create Space is your invitation to play, discover, and create. Led by the Southbank Centre and The Well Centre, this project guides you through three exciting stages: express, create, and exhibit. You'll explore different art forms to build your confidence and find new ways to connect with others in a supportive, low-pressure environment. It is a wonderful opportunity to develop lifelong tools for your wellbeing through creativity. The project leads to a public celebration of your artworks as part of our Poetry International festival this July, where we'll share and celebrate everything you have made.
