

## Youth Collective (11 - 16 year olds)

Multi Arts

Join our monthly Saturday meetup to get creative and help shape the future of the Southbank Centre's arts and wellbeing programme alongside professional artists.

### About this programme

The Youth Collective is your space to co-design the future of our Arts & Wellbeing programme. Meeting once a month, you'll collaborate with two artists to develop creative projects and ensure our offer reflects what you want to see. This is a brilliant opportunity to build your leadership skills and find your creative spark in a welcoming, low-pressure environment. No previous experience is necessary – we want your unique ideas and perspective to help us build a community that supports everyone's wellbeing. We are currently operating a waiting list for this project.
